

This Week's Highlights

On Wednesday night, Memorial school students participated in the annual Winter Concert. The concert included many jovial singing, harps, instruments and even a song composed by this year's fifth grade class. Congratulations to all of our performers on a job well done!

Principal's Corner

The students at Memorial School have been very busy this week. Each class had the opportunity to do some shopping at the Holiday Shoppe.

Kindergarten through 5th grade performed at the annual Holiday Concert. The children have begun decorating the tree in the foyer with their special ornaments they made with their teachers.
