

# Memorial School Newsletter

February 8, 2019

Volume 6, Issue 19

## Classroom Chatter

It's back! Memorial's School Store is here once again. Our 4th grade students are ready and excited to sell everyone some awesome school supplies. Every Wednesday during lunch, the 4th grade students of Memorial work the school store. We sell gel pens, pencils, erasers, folders, pencil sharpeners and so many other fun school supplies all under two dollars. Our 4th graders have been looking forward to opening the school store all year and are thrilled that it is finally opened. We hope to see you on Wednesdays buying some new school supplies!
