CLASSROOM CHATTER

Last night was Memorial School's annual Art Show and Spring Concert. Student artwork was displayed around the building for all to enjoy, with a special scavenger hunt to add another dimension to the experience. Memorial School instrumentalists wowed a packed house with an amazing concert, with harps, solos and a memorable finale of Baby Shark and We Will Rock you. Thank you to all who came out in support, and a big congratulations to all of the evenings performers.
